It is with great pleasure that Mary B. Austin announces **Down on the Delta - Art from the Heart 2017!**

Mary B. Austin is located in the Spring Hill area of Mobile and currently has approximately 500 students enrolled. At Austin, we are committed to providing the best education possible for all of our students. We are an innovative school that integrates foundational skills in the core subjects with 21st century skills such as communication, collaboration, critical thinking, and creativity to fully prepare our students for their future. As part of our dynamic education, our administration, teachers, and parents feel strongly about the importance of arts education. The Mobile County Public School System generously provides weekly art instruction for 3rd-5th graders during the first semester of the school year. However, we feel that it is vital for **all students at Mary B. Austin to receive weekly art instruction for the entire school year.** We are proud to say that in the eight years since its inception, Art from the Heart has successfully raised the money to ensure each child in every grade has the opportunity of developing their artistic abilities and experiencing first hand how fun the arts can be!

Our goal this year is to raise \$20,000 so that we can continue to encourage creativity among our students. Mary B. Austin Elementary PTA's Art from the Heart fund raiser will host:
