

Anyone interested can apply by emailing a resume to aaronp@calagaz.com

Calagaz Photo has a full time or part time positions available for our sales team in Mobile. We are looking for a photo salesperson that is out-going, self-motivated, and eager to learn about photography and video equipment, as well as photographic printing and services. Working with everything from vacation snapshots to cherished family mementos that are generations old.

Calagaz is a family owned company that recently celebrated 60 years in business. Our longevity is based in exceptional customer service. Every member that joins our team needs to be committed to providing the best possible experience to every customer they work with, every time. The ability to listen and interpret the needs of every customer is necessary to recommend the best products or service for each unique situation. Paying attention to the smallest details is a must.

About Calagaz Photo Supply

Calagaz is a family-owned photo store located in Mobile and Pensacola, founded in 1955. The camera shop is now led by 2nd & 3rd generation family members, and has evolved with changes in technology by expanding into three divisions offering a wide range of services from video transfers to t-shirt printing and business cards.
