THE THROWDOWN

ABOUT THE EVENT
This exciting event brings six local artists together to participate in a 90-minute no-holds barred art making throw down. Each participant will create new works of art from items in individual mystery baskets, as well as materials from a shared supply closet. The magic happens live, during the event, with plenty of room for spectators to watch each artist work. Once complete the five pieces will be sold in a live auction at the event.

There is a silent auction that consists of items donated by area artists and organizations, ranging from paintings, photographs, ceramic and sculptures to tickets for performances and weekend get-a-ways.

As a sponsor of The Throwdown you will ensure financial support for the arts by underwriting the costs of the event including supporting the artists involved. The Mobile Arts Council sees over 12,000 visitors annually during ArtWalk alone. With a solid social media following, thousands of newsletter subscribers and dedicated members your contribution to the arts will easily be well-known in the community.

The goal of “Creative Crossings” is to provide a live visual arts component to the TenSixtyFive music festival, enhance the pedestrian experience, and add public art to downtown Mobile.

Creative Crossings is a live art contest that takes place along Dauphin Street during the TenSixtyFive music festival. Up to 6 artists are chosen to create their designs on the street during the festival. The Mobile Arts Council and Special Events Department provide temporary art materials (spray chalk, chalk, pastels, etc.), shade tents, and lunches for competitors. The winning artist receives a cash prize! In addition, designs could potentially be chosen to become permanent artistic crosswalks installed in Mobile.

CHARTING NEW DIRECTIONS

ABOUT THE PROGRAM

ChARTing New Directions is MAC’s educational arts program. Its mission is to cultivate creativity in youth through arts education. Through our program, we provide exposure to the arts for underserved children of all ages, as well as fulfilling teaching opportunities to up-and-coming local artists. In our classes, we work to develop artistic skills, encourage creativity, and boost confidence in our students. Through 2013-2017, ChARTing worked with our local Boys & Girls Clubs to provide a high quality arts education programs for elementary, middle, and high school students.

In 2019, ChARTing New Directions is adding a new education component. In partnership with Mobile County, MAC will be working with juvenile offenders with the goal of implementing art-based programming at the James T. Strickland Youth Center.

Mobile Arts Council (MAC) wishes to celebrate those individuals and groups who have played a role in shaping the state of Alabama. MAC will do so through employing a group of Mobile-area artists (20 artists creating 10 works each or 25 artists creating 8 works each) to visually depict these individuals and groups.

Artists will apply to be part of the project through an application process, during which time they will also suggest a few of their top subject choices. Those in the community will also be encouraged to submit individuals and groups throughout Alabama history for the committee’s consideration.

Selection of the artists and the subjects depicted will be the responsibility of an eleven (11) person committee. The committee will represent a diverse group of people and professions. They will be tasked with narrowing the subjects to only 200 and keeping them within all facets of Alabama history (football, political figures, civil rights movement, women in Alabama, etc.), to ensure all areas of Alabama are covered.

Beginning in January 2019, MAC will release eight (8) portraits a week. The portraits will also be placed for sale on MAC’s website. By summer of 2019, the completed 200 portraits will be on display for a special exhibition at MAC. Following conclusion of the exhibition, the portraits will travel to other interested galleries and spaces around the state to continue the Alabama Bicentennial Celebration.
