TEACHER INSERVICE

SATURDAY, FEBRUARY 2 | 9 AM - 3 PM

WORKSHOPS:

Inspired by Art: Hands-on Creative Writing in the Galleries
(Cochrane Gallery, Presenter: Kim Wood)

Participants will consider American paintings and sculptures from an historical and personal perspective to draw inspiration for a descriptive paragraph, a narrative paragraph and a short imaginative essay. This assignment may be used to enhance a variety of disciplines, while engaging each student's individual view of the world.

The Art of Monica J. Beasley: 'Feminism and Magical Thinking' Abstract Collages (APL Classroom, Presenter: Monica J. Beasley)

Well-known for her colorful, abstract collages, Monica J. Beasley will go behind the inspiration for her exhibition at MMofA and, using a variety of materials, help participants create their own abstract collages, illustrating how creating a collage can tie in to any curriculum.
