Bonjour!

Mobile, Alabama, is one of the Gulf Coast's top cultural centers, boasting a wide variety of active arts organizations and unique cultural events throughout the year.

With a deep history rooted in Carnival culture, Mobile has developed into a bustling port city with a downtown that is home to a variety of galleries and centers featuring murals, sculptures, paintings, and more.

From our professional opera and ballet companies to a symphony orchestra, community theaters, and free music festivals, Mobile always has something onstage for lovers of the performing arts.

Since its inception in 1955, the Mobile Arts Council (MAC) has served as a strong informational center for local arts and culture, helping to facilitate numerous events and opportunities for artists of all backgrounds and mediums along the Gulf Coast.

Our mission is to enrich the quality of life in the Mobile area by increasing accessibility to the arts and promoting a vibrant cultural community.

Through this new Arts Guide, we hope to share Mobile's wealth of artistic talent to locals and visitors alike.
